Carrick and Armagh***

## REGIONAL ENTRANCE EXAM COURSES SEPT/OCT 2010

Following the success of our initial Entrance Exam programme, held at Queen's University and Stranmillis College in 2009, we have designed a 5 week course of intensive revision and testing to support pupils and parents in preparation for Transfer 2010. Each Saturday morning children will work through key concepts of Maths and English from the specifications provided by the Testing Body.

- ✓ Focussed and intensive revision, delivered by practising P6/P7 teachers.
- ✓ Programme designed against specifications provided by the Testing Body.
- ✓ Opportunity to gain valuable experience of testing in an unfamiliar, external environment.
- ✓ Group based learning and testing with peers who are focussed on the same goal.
- ✓ Group size restricted to maximum of 12 pupils.

For an informal discussion or to request a free information booklet please telephone our office 028 9146 4459 or email [info@helpinghandtutoring.co.uk](mailto:info@helpinghandtutoring.co.uk)

***All bookings prior to 1st March 2010 will receive a 10% discount***

***Our Entrance Exam Courses 2009 booked up very quickly.  
Early booking is strongly advised to avoid disappointment.***

*My son benefitted greatly from attending the revision course devised by Helping Hand Tutoring in 2009. It provided us with a level of support to ensure that all key issues had been addressed and removed some of the fear of the unknown, through the practice tests which were completed at Queen's University, Belfast.*

***Parent, Lisburn***

*My daughter struggled with some aspects of Maths - and we found at the end of the course, run by Helping Hand Tutoring at Stranmillis College, her confidence had increased and we felt the course was of huge benefit.*
